

The FAA Safety Team presents:

# Freedom in Soaring

Attend this exciting glider event and add some positive lift to your flights by participating in safety discussions presented by three highly experienced glider pilots. Also, the FAA will be with us to discuss the purpose and benefits of participating in the WINGS Pilot Proficiency Program. Please see the "Additional Seminar Information" on the [FAASafety.gov](http://FAASafety.gov) web site for program topics and start times. Pizza will be served for lunch!

**Directions:** Briefing held in the library meeting room.

## A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
